Hi All,

There is not a meeting this coming Thursday, however, there is a meeting two Thursdays from now on July 26th from 3 pm - 5 pm in the Westchester Community Room (7166 W. Manchester Ave.).

This is going to be a special meeting which I hope as many of you can fit onto your calendar as possible -- we will be discussing Bridge Home with the idea that the program is most successful with commitments from every non-profit, business, community organization, faith-based institution, and government entity possible.

Please come ready to share your expertise in how the program can be made strongest and especially with ideas for additional program components that could be incorporated into the proposal -- ideas like including a community garden, professional clothing locker, art therapy, gym, etc.

Regards,

Taylor Bazley
